Superintendent and Board Plan Yearly Activities

Left to right the members are Stanley Hensler, Hobart Martin, Samuel Hayes, Don Reid, Robert Orr.

Through the year the board has put its approval on activities and field trips planned by various classes and organizations.

Mr. Peregrine's duties vary widely. Here, he takes time out for a quick shot.

Mrs. Rowles, secretary to Mr. Peregrine, has many jobs which she performs efficiently.

They Assist Us

Mr. Ginn is completing his fifth year as principal of O-D High. During this time the students have learned to respect his judgment of issues. We want to say "Thanks" for all the assistance he has given us.

The students of O-D H. S. have come to know Mrs. Bowers as a "shelter in the time of storm." No matter if she's working on books, typing, or filling out lunch reports, she has time to stop and give us the information we are seeking. We want you to know, Mrs. Bowers, we really appreciate all you've done for us and you will long be remembered by the Class of '69.

Mrs. Ferch is secretary to the Jr. High School and to Mr. Slusher the principal. She works all year writing checks, balancing the books, and doing all the things a good secretary should do to make our school operate smoothly. She is always smiling and willing to help anyone at anytime.

Most students pretend a fear of the principals office but all students know that Mr. Slusher is really friendly, cooperative, and ready to help. He shows an interest in the activities in which students engage themselves but even more so he shows a deep interest in the students themselves. We are most grateful to Mr. Slusher for the service he has given to our schools.

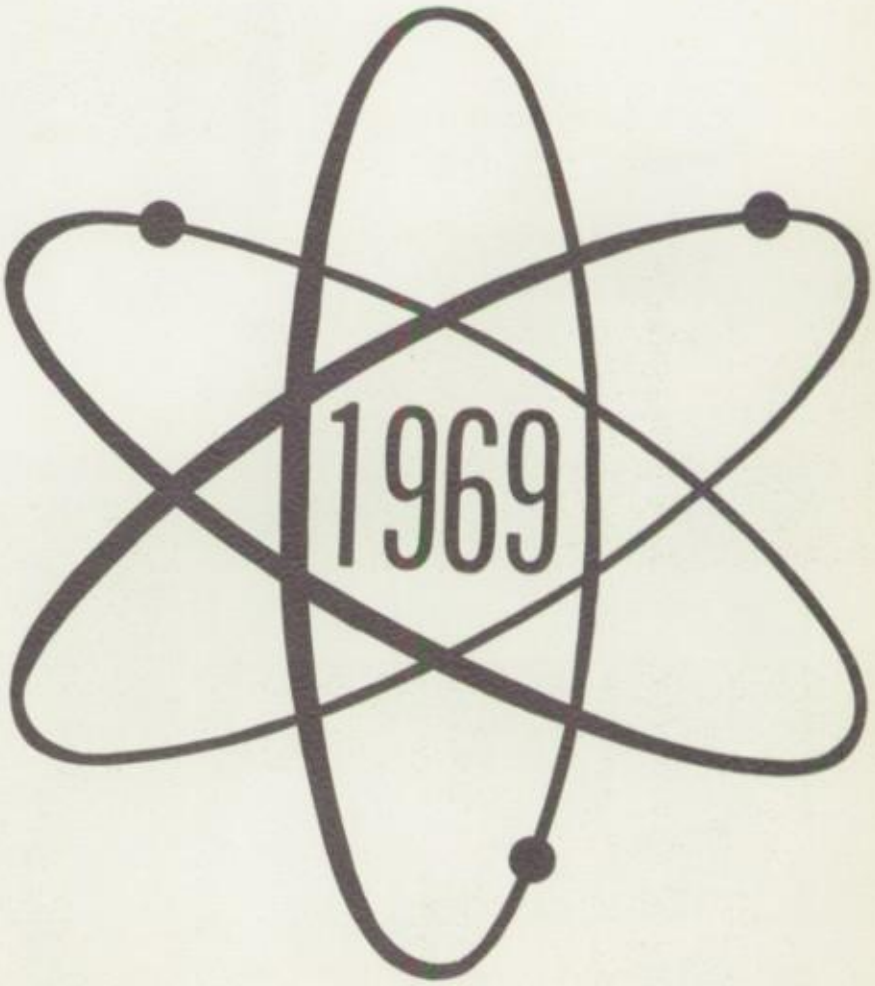
SCHOOL LIFE



Spring Brings Prom

Prince Mike Loftus, Princess Dawn Wallskog, King Mike Gillies, and Queen Barbara Pilugshaupt reign over the Junior-Senior Prom.

"Shangri-la" was the theme for the 1968 Junior-Senior Prom. The Plymouth Armory was transformed to create an "Oriental Atmosphere." A buffet dinner was served while enjoying the music by the "Collegionaires." Post-Prom activities began at the El Rancho Theater showing "The Happiest Millionaire." The After-Prom ended after a dance and a breakfast given by the Junior class parents at the Hamlet American Legion.

Jim Seaman, Bonnie Sinn, Candis Barnett and Jerry Smalley pause to toss a few coins over the Bridge.

Homecoming '69 One of Our Highlights

Oregon-Davis gave Marquette a hard struggle, even though we were defeated. The spirit was high, and it was a most exciting game. The traditional pep rally was held, but without the bon fire, because of the weather. Linda Greenawalt was crowned Homecoming Queen '69 by reigning queen, Dawn Wallskog. The celebration was concluded with a dance featuring "The Electric Playground".

Don't Take My Penny

The Junior Class (seniors, '69) presented "Don't Take My Penny," under the direction of Mr. Turner. The story revolves around an ordinary family that really isn't ordinary. No one really knows what the other members of the family are doing.

Penny is the daughter who wants to be an actress, and her boyfriend Kerry doesn't want her to. So, this causes confusion for everyone. But in the end, things finally work out for everyone.

The High School Concert Band, Pep Band, Choir, Chamber Choir, and Bobettes successfully completed the 1968-69 year under the direction of Mr. William Tanner. The Chamber Choir performed for various clubs and activities. The Band and Choir presented a Winter Concert and a Spring Concert. The Pep Band helped the Bobettes to entertain O-D fans at the half time of home basketball games. The Chamber Choir and some of the Choir members participated in the NISBOVA Music Contest held in South Bend and brought home eight second place ratings and one first place. In the instrumental competition Jan Schoppel received a first place and went to State Contest held on February 15th. The whole music department worked hard this year to help Mr. Tanner make our year successful and enjoyable.

The Junior High Band and Choir had a successful year also. They gave concerts and sometimes even playing with the High School Pep Band at home basketball games. Our thanks to Mr. Tanner for helping our Music Department have another successful year.

The Track Team had a fabulous year in the New Southern Lake Michigan Conference by winning over heavily favored South Central, and leading the Conference scoring in the Bi-County meet. During the entire year they were only defeated twice. They hope to continue this great drive in 1969.

The Cats are looking forward to a good season in Baseball, even though they have a young team. The younger players got much experience playing under Coach Salisbury.

AN OPPORTUNITY TO SERVE

An opportunity to serve awaits industrious young men and women at Northern Indiana Public Service Company. As one of the top gas and electric distribution utilities in the United States, NIPSCO is constantly looking for new processes and methods of efficient operation. These include atomic power generation, extra high voltage transmission, underground electric distribution, computerized system planning, underground storage of natural gas, community analyses and electronic data processing.

Ready to grow with a growing company?

IN AN ATMOSPHERE OF GROWTH

NIPSCO is one of the highest-paying utilities in the State of Indiana. Its attractive employe benefit package—tuition refund plan, vacations, holidays, life insurance, comprehensive medical insurance, pensions, etc.—provides an atmosphere for individual growth. Fifteen leading colleges and universities are strategically located throughout its service area with others available in the greater Chicago area. Drop in. We'll be glad to talk jobs with you.
